COURSE REPETITION

A student may enroll in a course and receive a satisfactory grade of "A", "B", "C", "CR" or "P" only once unless the course description in the college catalog states that the course may be repeated for credit.

A student may repeat a credit course once when substandard academic work has resulted in a grade of "D", "F", "NC", "NP", "FW", or "W". (See note 1.)

A student with a disability may repeat a special class for students with disabilities any number of times based on an individualized determination that such repetition is required as a disability-related accommodation for that particular student.
