8
9
10 Members of the public may request to inspect or copy public records. A request by a member of the public may be
11 delivered by mail or in person to the Director of Human Resources.

12
13 Any request shall identify with reasonable specificity the records sought. If additional information is needed, the
14 Director of Human Resources may request it be provided in writing.

15
16 Any request to inspect records shall be made sufficiently in advance of the date of inspection to allow staff
17 members time to assemble the records and identify any records that may be exempt from disclosure.

18
19 Records that are exempt from disclosure under the Public Records Act or any other provision of law may not be
20 inspected or copied by members of the public. Social security numbers must be redacted from records before they
21 are disclosed to the public.

22
23 Members of the public shall be assisted in identifying records or information that may respond to their request.
24 Assistance that will be provided includes: the information technology and physical location in which the records
25 exist; practical suggestions for overcoming denial of access to the records or information; and the estimated date
26 and time when the records will be made available.

27
28 Within ten days, the Director of Human Resources will determine whether or not the records can be produced and
29 will communicate the determination to the member of the public requesting the record(s).

30
31 **Note:** *The Public Records Act presumes that all records of a public agency are public, unless specifically*
32 *exempted by law. There are now well over a hundred exemptions contained in California law, although most will*
33 *never apply to a community college district. (See Government Code Sections 6254 et seq. and 6275 et seq.) Any*
34 *questions about whether a document is exempt should be referred to counsel.*

35
36 The most common exemptions for community colleges include:

- 37
- 38 • Student records (Education Code Section 76243)
 - 39
 - 40 • Preliminary drafts, notes, or interagency or intra-agency memoranda that are not retained
41 by the public agency in the ordinary course of business, provided that the public interest
42 in withholding the records clearly outweighs the public interest in disclosure.
43 (Government Code Section 6254(a))
 - 44
 - 45 • Records pertaining to pending litigation ...or to claims...until the pending litigation or
46 claim has been finally adjudicated or otherwise settled. (Government Code Section
47 6254(b))
 - 48
 - 49 • Personnel, medical or similar files, the disclosure of which would constitute an
50 unwarranted invasion of personal privacy. (Government Code Section 6254(c))

Academic Affairs DRAFT 10-05-10

AP 4255 DISMISSAL AND REINSTATEMENT

References:

Title 5, Sections 55033 and 55034

I. Standards for Dismissal:

A. A student who is on academic probation shall be subject to dismissal if the student has earned a cumulative grade point average of less than 2.0 in all units attempted in each of two (2) consecutive semesters. However, any student on academic probation whose most recent semester GPA exceeds a 2.0 shall have their record reviewed and may be continued on probation. A student who has been placed on probation shall be subject to dismissal if the percentage of units in which the student has been enrolled for which entries of "W," "NC," "I," and "NP" are recorded in at least 2 consecutive semesters reaches or exceeds fifty percent (50%).

II. Dismissal Notification:

A. The notification advising the student that he/she is subject to dismissal will cover, at a minimum, reference to this procedure, explanation of what dismissal means, procedure for reinstatement, and procedure to appeal the dismissal.

III. Appeal of Dismissal

~~A student who has been dismissed from Citrus College may appeal the dismissal to the Counseling Office. Circumstances that shall warrant exception to the standards for dismissal include error, illness, or other circumstances beyond the control of the student.~~

- ~~A. The student has the right to appeal a proposed dismissal action if the student feels that facts exist that warrant an exception to the dismissal action.~~
- ~~B. The student must file the written petition of appeal in the Counseling Office after the dismissal letter was mailed. If the student fails to file a written petition, the student waives all future rights to appeal the dismissal action. It is the student's responsibility to indicate on the petition a clear statement of the grounds on which continued enrollment should be granted and to provide evidence supporting the reasons. Petitions will be reviewed by the Dean of Counseling and the Dean of Admissions.~~
- ~~C. The student will be continued on probation until the Dean of Counseling and the Dean of Admissions decides on the student's appeal.~~
- ~~D. The decision of the Dean of Counseling and The Dean of Admissions will be communicated to the student in writing by the Dean of Admissions. The Dean of Admissions will notify the student of the action within 10 working days of receipt of the student's appeal. The student may appeal the decision of the Dean of Counseling and the Dean of Admissions in writing to the Vice President of Student Services within 10 working days of the date of notification of the decision of the Dean of Admissions. The decision of the Vice President of Student Services is final.~~
- ~~E. If dismissal appeal is granted, the student will be continued on probation for an additional semester. At the end of the additional semester the student's academic record will again be evaluated to determine whether the student may be removed from probation, should be dismissed, or should be continued on probation.~~

Fall Dismissals

704 Special circumstances exist for dismissal after the fall semester due to the fact that students
705 traditionally enroll before fall grades are available. "Subject to dismissal" letters will be sent no
706 later than one month prior to the start of the spring semester informing students that:

- 707 • If they are enrolled in the spring semester, they will be permitted to continue on
708 probation. Dismissal status will be reevaluated at the end of the spring semester.
- 709 • If they are not enrolled in the spring semester, they have the right to appeal dismissal in
710 accordance with the appeal process.

711

712 Procedure for Fall Dismissal Appeals

713 Appeals for students subject to dismissal as a result of the fall grades must be filed following
714 notification during the spring semester. The following conditions apply:

- 715 • Students who are enrolled in the spring semester will not be required to file an appeal but
716 will be allowed to continue on probation and have their dismissal status reevaluated at
717 the end of the spring semester.
- 718 • Students who have not enrolled in the spring semester will be dismissed unless an
719 appeal is granted in accordance with procedures set forth above.

720

721 IV. Standards for Evaluating Appeals

722 Dismissal appeals may be granted under the following circumstances:

- 723 A. The dismissal determination is based on the academic record for one semester in which the record does
724 not reflect the student's usual level of performance due to accident, illness, or other circumstances beyond
725 the control of the student. Verification should be submitted with the appeal.
- 726 B. The student enrolls in a corrective program designed to assist him/her in improving academic skills such as
727 obtaining academic counseling, and/or limiting course load.
- 728 C. There is evidence of significant improvement in academic achievement.

729

730 V. Readmission after Dismissal

731 In considering whether or not a student may be re-admitted after a dismissal and one semester's absence, the
732 following criteria will be considered:

- 733 A. Documented extenuating circumstances (considered during appeal).
- 734 B. Marked improvement between the semesters on which disqualification was based.
- 735 C. Semester on which disqualification was based was atypical of past academic performance.
- 736 D. Formal or informal educational experiences since completion of semesters on which disqualification was
737 based.
- 738 E. Improved GPA as a result of grade changes, fulfillment of incomplete courses, or academic renewal.

739

740 III. Appeal For Reinstatement From Dismissal After One Semester

741 A. A student who has been dismissed from Citrus College may file a written
742 petition with the Counseling and Advisement Center after one semester has elapsed since the semester of
743 dismissal. The petition will be reviewed by the Dean of Counseling and the Dean of Admissions up to two
744 weeks before the beginning of the semester.

745

746 B. A petition for reinstatement must be supported with verification of remedial work or evidence of readiness
747 to do successful college work. The student is required to meet with a counselor prior to registration each
748 semester until the/she is removed from probationary status.

749

750 IV. Petition To Appeal Dismissal with Extenuating Because of Exceptional Circumstances

751 A student who has been dismissed from Citrus College may only appeal the decision if he/she encountered an
752 exceptional situation and can prove that this situation affected his/her scholastic performance. Petitions will be
753 accepted up to two weeks before the beginning of the semester. Prior to making an appointment with a
754 counselor the student must provide the following:

755

756 A. Proof of ~~extenuating~~ exceptional circumstances that kept the student from
757 succeeding. ~~For example:~~ Some examples of exceptional circumstances (and appropriate proof thereof)
758 are: illness (letter from a physician), death in the family (death certificate of the family member),

Attachment #11

759 incarceration (appropriate paperwork), car accident (appropriate paperwork), change of work hours (work
760 documentation) etc. ~~providing some sort of proof that the student's situation was exceptional.~~

761
762 B. A personal statement describing the event exceptional circumstance and how the student's school work was
763 affected.

764
765
766 (Note: the following language in C. and D. is existing language moved from the deleted III. Appeal of Dismissal
767 above)

768
769 C. The decision of the Dean of Counseling and The Dean of Admissions will
770 be communicated to the student ~~in writing by the Dean of Admissions.~~ The Dean of
771 Admissions Counseling will notify the student of the action within 10 working days of
772 receipt of the student's appeal. The student may appeal the decision of the Dean of
773 Counseling and the Dean of Admissions in writing to the Vice President of Student
774 Services within 10 working days of the date of notification of the decision of the Dean of
775 Admissions Counseling. The decision of the Vice President of Student Services is final.

776
777 D. If dismissal appeal is granted, the student will be continued on probation for an additional semester. At the
778 end of the additional semester, the student's academic record will again be evaluated to determine whether
779 the student may be removed from probation, should be dismissed, or should be continued on probation.

780 V. Reinstatement After Dismissal

781 A reinstated student must earn a grade point average of at least 2.0 and complete more than 50 percent of all units
782 attempted each semester after reinstatement. This is mandatory until the student has achieved a cumulative grade
783 point average of at least 2.0 and the number of "W", "I", "NC" and "NP" units drops below 50 percent of all
784 attempted units at Citrus College. A reinstated student who fails to meet these criteria will be dismissed again.
