COSTA RICA

Winter 2010

Travel with Citrus College faculty to Costa Rica and earn 6 units of college credit. Students will spend three weeks in Costa Rica and will have the

opportunity to experience rainforests, cloud forests, tropical dry forests, central valleys, volcanoes, hot springs, incredible rivers and waterfalls, and beautiful beaches and islands.

Our winter is the dry season in Costa Rica, so lots of outdoor activities are planned. Be prepared to see some unbelievable birds, animals, and butterflies, as well as beautiful flora and fauna.

Financial aid is available to eligible students. For a brochure and application call the Citrus College Study Abroad Office (626) 914-8560.

Visit our website at www.citruscollege.edu/studyabroad.

Program Includes:

- Accommodations in homestays and lodges
- Ground transportation (coach and boat)
- Meals; weekly laundry service
- Extensive social and cultural activities
- Overnight excursions include Tortuguero National Park, Monteverde Cloud Forest, Arenal Volcano National Park, La Selva Biological Station and Reserve, Ensenada, Carara National Park, and Palo Verde National Park
- Day trips to Poas Volcano, Crocodile Safari, and butterfly farm
- Optional activities including Isla Tortuga, white water rafting, coffee plantation, hot springs, canopy tours, rain forest tram, zip-lining and more
- Group airfare with pickup and return is offered
