

## Citrus College Honors Program

The Honors Program is designed for highly motivated students who are planning to transfer and want an enriched academic experience. Among the benefits of enrolling in the Honors Program are:

- Small class sizes and intensive interaction between faculty and students
- Academic and social interaction with other highly motivated and successful students
- Priority registration
- The ability to participate in honors conferences and seminars
- Access to Citrus College's transfer alliance program that increases the likelihood of a successful transfer application to UCLA
- Honors Program recognition on transcripts, which is helpful in transfer applications
- Enhanced scholarship opportunities
- Special recognition at graduation

Honors courses require advanced reading, writing and critical thinking skills. Students taking an honors course should also be a member of the Honors Program.
