

# Careers in Health Science

## Associate Degree in Nursing (RN)

See the *Nursing-Registered* section

[www.citruscollege.edu/academics/programs/adn](http://www.citruscollege.edu/academics/programs/adn)

Students can take the prerequisites and classes required to prepare the RN student for the state exam. Visit our website for updated information regarding admission periods and application procedures.

**Contact:** Cherlou Opulencia at [copulencia@citruscollege.edu](mailto:copulencia@citruscollege.edu)

## Licensed Vocational Nurse (LVN)

See the *Nursing-Vocational* section

[www.citruscollege.edu/academics/programs/vn](http://www.citruscollege.edu/academics/programs/vn)

Earn credit in NRS 100, a prerequisite that qualifies top students for the LVN program. Complete the program in two semesters and one summer session. Citrus prepares the LVN student for the state exam.

**Contact:** Cherlou Opulencia at [copulencia@citruscollege.edu](mailto:copulencia@citruscollege.edu)

## Nurse Assistant (CNA)

See the *Nursing-Vocational* section

[www.citruscollege.edu/academics/programs/nrs](http://www.citruscollege.edu/academics/programs/nrs)

Enroll in a 8-week course that provides clinical experience and prepares the student for the state exam.

**Contact:** Debby Bowman at [dbowman@citruscollege.edu](mailto:dbowman@citruscollege.edu)

## Emergency Medical Technician (EMT)

See the *Health Occupations* section

[www.citruscollege.edu/academics/programs/emt](http://www.citruscollege.edu/academics/programs/emt)

Complete two classes in one semester, prepare to be certified as an EMT and begin working with emergency response providers such as an ambulance service, hospital emergency department, search and rescue agency, clinic or ambulatory care facility.

**Contact:** Cliff Hadsell at (626) 914-8755, [chadsell@citruscollege.edu](mailto:chadsell@citruscollege.edu)

## Registered Dental Assistant (RDA)

See the *Dental Assisting* section

[www.citruscollege.edu/academics/programs/dental](http://www.citruscollege.edu/academics/programs/dental)

Complete a one year program that provides comprehensive training with clinical experience. Students are prepared for the State Board Exam and to begin work in a high demand field.

**Contact:** Claudia Pohl at (626) 914-8728, [cpohl@citruscollege.edu](mailto:cpohl@citruscollege.edu)
