

MESSAGE FROM THE SUPERINTENDENT/PRESIDENT MENSAJE DE BIENVENIDA DEL SUPERINTENDENTE/PRESIDENTE

Welcome!

Welcome to Citrus College's Summer Session 2010! As Superintendent/President, I am pleased you have chosen Citrus College to begin or continue your education. We offer a variety of occupational, transfer and general education courses and programs both on campus and online.

While summer is typically the season for relaxation and leisure, your decision to attend Citrus College reflects your determination to attain a college education and to succeed in life.

You will have the opportunity to advance your educational goal whether it is to earn an associate degree, receive a certificate of achievement, and/or prepare to transfer to the four-year college or university of your choice. Our faculty and staff look forward to providing you with high quality academic programs and student services that will enable you to achieve your educational goals.

For over 95 years, Citrus College has prepared thousands of students for productive and rewarding lives. We continue to grow and progress: Earlier this year, the college received a six-year Reaffirmation of Accreditation, which validated our effectiveness as an institution of higher learning and gave us cause to celebrate!

Now, more than ever, the value of a college education cannot be overstated. Citrus College provides a stimulating academic and intellectual environment, a variety of cultural events, and many opportunities to participate in student life and leadership activities. Your success is critically important to us, and we will do all we can to help you fulfill your ambitions.

On behalf of the Citrus Community College District Board of Trustees, faculty, and staff, I welcome you and wish you every success!

Bienvenida

¡Bienvenido al Semestre de la Sesión Verano 2010! Como la Superintendente/Presidenta me siento muy contenta de que haya seleccionado a Citrus College para empezar o continuar con sus estudios.

Ofrecemos una gran cantidad de cursos de educación general, programas de transferencia académica y de entrenamiento técnico en nuestro campus y a través de clases en línea.

Mientras que el verano es típicamente una temporada para la relajación y el entretenimiento, su decisión de asistir a Citrus College refleja su determinación por obtener una educación en un colegio y tener éxito en la vida. Tendrá la oportunidad de avanzar en sus metas educativas ya sea que sea obtener un título de asociado, recibir un certificado de constancia en una especialización, y/o prepararse para transferirse a una universidad de cuatro años de estudios. Nuestra facultad y personal están ansiosos de ofrecerle programas de alta calidad académica y servicios estudiantiles que le permitirán alcanzar sus metas educativas.

Por más de 95 años, Citrus College ha preparado a miles de estudiantes para que tengan vidas productivas y exitosas. Continuamos creciendo y progresando: A principios del año, el colegio recibió la Reafirmación de Acreditación por seis años más. ¡Lo que valida nuestros esfuerzos como una institución de estudios superiores, y nos dio además una razón para celebrar!

Ahora menos que antes, el valor de una educación en un colegio no puede ser considerada no importante. Citrus College ofrece un ambiente para estimular el crecimiento académico e intelectual, una gran cantidad de eventos culturales, y muchas oportunidades para participar en la vida estudiantil y en actividades de liderazgo. Su éxito es de gran importancia para nosotros y haremos todo lo que esté en nuestro alcance para ayudarle a realizar al máximo sus ambiciones.

¡A nombre de la Junta de Fideicomisarios del Distrito de Colegio Comunitario de Citrus College le doy la bienvenida y le deseo un gran éxito!
