

MESSAGE FROM THE SUPERINTENDENT/PRESIDENT MENSAJE DE BIENVENIDA DEL SUPERINTENDENTE/PRESIDENTE

Welcome!

As Superintendent/President of Citrus College, I would like to welcome you to our 2010 Winter Intersession and Spring Semester. I am pleased that you are beginning the New Year by choosing our college. Whether you are a first time, continuing, or returning student, you will discover that Citrus College has much to offer in helping you achieve your academic goals.

For 95 years, Citrus College has been known and respected for its quality instructional programs and student support services, as well as its collegial environment. Last fall, nearly 13,000 students enrolled at the college, demonstrating that residents from our community and region are choosing Citrus as their pathway to an associate degree, a means of transferring to a four-year college or university, an opportunity to prepare for a new career—or a combination of these options.

We currently offer associate degrees in 31 programs of study. Certificates of achievement, which may be used to verify proficiency in skills needed for entry-level employment, are offered in 46 areas. These quality instructional programs are supported by a comprehensive selection of student services, including counseling, financial aid, computer labs, veterans' support and more.

Our faculty and staff are committed to empowering you with the knowledge and skills needed to ensure your success as a contributing member of the community. Thank you for allowing Citrus College to advance you on your path to academic and professional success. On behalf of all the faculty and staff, I wish you a successful intersession, spring semester and future!
